Minutes taken by Fran Sheldon

In attendance:

Claire, Michael, Ross, Fran, & ? (Claire Sives I think) – (not enough for an official teleconference, so we just chatted about the web page)

Web sites

- Committee to share some good versions of websites that they like and think would work for ASL
- Locate companies that build the websites
- ASN still to host but need a company to design

Social Media

- Going really well - has a good look - and has been a success
- Need to have a person who looks after the social media platforms, Twitter, Facebook etc
- Engagement communications person - needs a team to have access to the platforms
- Social media lead, doesn't get paid but would get a free registration to the annual conference

Freshwater Blog

- Ideas around having a Freshwater Blog
- Need the web page first and then worry about the blog
