1.6 Capacity of Security Trustee

- (a) Security Trustee enters into and performs this document and the transactions it contemplates only as the trustee of the Security Trust, except where expressly stated otherwise. This applies also in respect of any past and future conduct (including omissions) relating to this document or those transactions.
- (b) Under and in connection with this document and those transactions and conduct:
 - (i) Security Trustee’s liability (including for negligence) is limited to the extent it can be satisfied out of the assets of the Security Trust. Security Trustee need not pay any such liability out of other assets; and
 - (ii) another party may only do the following with respect to Security Trustee (but any resulting liability remains subject to the limitations in this clause):
 - (A) prove and participate in, and otherwise benefit from, any form of insolvency administration of Security Trustee but only with respect to Security Trust assets;

- (B) exercise rights, powers and remedies with respect to Security Trust assets, including set-off;

- (i) to the extent that Security Trustee has no right or power to have Security Trust assets applied towards satisfaction of that liability, or its right or power to do so is subject to a deduction, reduction, limit or requirement to make good, in either case because Security Trustee's behaviour was beyond power or improper in relation to the Security Trust; or
 - (ii) under any provision which expressly binds Security Trustee other than as trustee of the Security Trust (whether or not it also binds it as trustee of the Security Trust).
- (d) The limitation in clause 1.6(b)(i) is to be disregarded for the purposes (but only for the purposes) of the rights and remedies described in clause 1.6(b)(ii), and interpreting this document and any security for it, including determining the following:
- (i) whether amounts are to be regarded as payable (and for this purpose damages or other amounts will be regarded as a payable if they would have been owed had a suit or action barred under clause 1.6(b)(ii) been brought);
 - (ii) the calculation of amounts owing; or
 - (iii) whether a breach or default has occurred,
- but any resulting liability will be subject to the limitations in this clause.

 - (ii) any authorisation, ruling, judgment, order or decree of any Government Authority;
 - (iii) the constitutional documents of that party; or
 - (iv) any Security Interest by which it is bound;
- (e) **(binding nature)** this document constitutes its legal, valid and binding obligations, enforceable in accordance with its terms; and

- (f) **(no insolvency)** it is not subject to an Insolvency Event.

SFV gives the following:

- (a) **(consent)** It consents to the Security.

 - (v) disentitle LTES Operator from delivering an “Exercise Notice” (as defined in the LTESA);
 - (vi) contravene or constitute a default or breach of the LTESA; or
 - (vii) entitle SFV to exercise any rights, powers or remedies to Terminate the LTESA.
- (c) **(enforcement)** It agrees that an Enforcing Party may, but need not, exercise all or any of the rights, powers and remedies, and perform all or any of the obligations of LTES Operator, in connection with the LTESA, as if it were LTES Operator to the exclusion of LTES Operator.

- (d) **(no assumption)** It agrees that an Enforcing Party will not be liable nor have any obligations, and will not be taken to have assumed any liability or obligations, in connection with the LTESA as a result of the entry into of the Security or this document or the exercise of any rights, powers or remedies by an Enforcing Party in connection with the Security or this document. However, this does not:
 - (i) apply to any obligation of LTES Operator under the LTESA expressly assumed by Security Trustee by written notice to SFV (with a copy to LTES Operator); or
 - (ii) affect any liability or obligation of LTES Operator for acts and omissions of an Enforcing Party where the Enforcing Party is acting as the agent of LTES Operator.
- (e) **(no consent to dealing)** It agrees to not consent to any assignment, transfer, novation or other dealing by LTES Operator of any of LTES Operator's rights or obligations under the LTESA without the prior consent of the Security Trustee.

4 Termination Events – cure and termination

4.1 Termination Event Notices to Security Trustee

If a Termination Event occurs, SFV agrees to:

- (a) give Security Trustee a copy of any Termination Event Notice and all other documents issued by SFV to LTES Operator in connection with the Termination Event as soon as reasonably practicable after it gives any of them to LTES Operator; and
- (b) give the Enforcing Party any information it reasonably requests from time to time in connection with a Termination Event.

4.2 Cure rights

The parties agree that Security Trustee, or any other Enforcing Party, may but need not, take steps to cure, or procure the cure of, a Termination Event or (where relevant) prevent the occurrence of a Termination Event.

SFV agrees that a Termination Event no longer exists under or for the purposes of the LTESA once:

- (a) it is cured or procured to be cured by Security Trustee or any other Enforcing Party; or
- (b) it is taken to be cured in accordance with clause 4.6 (“Deemed cure”).

4.3 Restriction on Termination

- (a) SFV agrees that despite anything in the LTESA and any rights, powers or remedies it may otherwise have (including at Law), it can and will only:
 - (i) Terminate; or
 - (ii) give any notice which would (or with the expiration of time would) Terminate,

the LTESA only in reliance on a Termination Event and only as expressly permitted by clause 4.4 (“Termination”).

- (b) Any actual or purported Termination of the LTESA in breach of this clause 4.3 is ineffective.
- (c) Clause 4.2 (“Cure rights”) and the rest of this clause 4.3 do not apply to any Termination or notice in respect of clause [22.2(k)] (“amendment or repeal of EII Act”) [or clause 22.3 (“Termination for convenience by SFV”)] of the LTESA.

4.4 Termination

SFV may terminate the LTESA:

- (a) **(payment default)** in reliance on a Termination Event under the LTESA which relates to a failure by LTES Operator to pay money due under the LTESA, if the failure has not been cured within 10 Business Days after the applicable Cure Period Start Date;
- (b) **(insolvency or Change in Control)** in reliance on a Termination Event under the LTESA which is or relates to an Insolvency Event or a Change in Control:
 - (i) if an Enforcing Party has not been appointed (or become a Controller) to or over:
 - (A) for only a Change in Control, shares in LTES Operator;
or
 - (B) LTES Operator’s rights under the LTESA,

within 15 Business Days after the applicable Cure Period Start Date; and
 - (ii) if having been so appointed, the Insolvency Event or Change in Control has not been cured within 365 days after the applicable Cure Period Start Date (or by any later date agreed to in writing by SFV in its absolute discretion);
- (c) **(fraudulent project reports)** in reliance on a Termination Event which is an event set out in clause [22.2] (“Termination by SFV”) of the LTESA, if an Enforcing Party has not satisfied, or procured the satisfaction of, all of the requirements in clause [22.2(g)(ii)(A) to (D)] of the LTESA within 20 Business Days after the applicable Cure Period Start Date;
- (d) **(other events)** in reliance on a Termination Event under the LTESA which is not described above, if:
 - (i) an Enforcing Party has not commenced remedying that Termination Event within 30 Business Days after the applicable Cure Period Start Date (or by any later date agreed to in writing by SFV in its absolute discretion); or
 - (ii) if the Enforcing Party has commenced remedying that Termination Event within 30 Business Days after the applicable

Cure Period Start Date (or by any later date agreed to in writing by SFV in its absolute discretion):

- (A) without prejudice to clause 4.4(d)(B), the Enforcing Party does not pursue that remedy in a diligent manner; or
 - (B) in any event, the Enforcing Party has not remedied the relevant Termination Event within 60 Business Days after the applicable Cure Period Start Date (or by any later date agreed to in writing by SFV, acting reasonably); and
- (e) **(no cure)** in reliance on a Termination Event under the LTESA or the PDA, if Security Trustee notifies SFV in writing that it does not intend to take any steps or further steps to cure that Termination Event,

by written notice to LTES Operator and Security Trustee (given after the applicable requirement above is satisfied), if SFV is still entitled under the LTESA to Terminate the LTESA in reliance on the relevant event and which event remains uncured.

4.5 Rights and obligations not affected

SFV agrees that if a Termination Event occurs, LTES Operator's rights, and SFV's obligations, under the LTESA are not, and will not be, affected while Security Trustee or any other Enforcing Party is able to or is exercising any right, power or remedy (including those described in this clause 4 or in connection with any Security) in connection with that Termination Event.

4.6 Deemed cure

SFV agrees that a Termination Event is taken to be cured under and for the purposes of the LTESA and this document (as applicable):

- (a) if it relates to a failure to pay money due under the LTESA, when an Enforcing Party has paid or procured the payment of the amount of that money to SFV;
- (b) if it relates to a failure to do anything under the LTESA, when an Enforcing Party has done, or procured to be done, that thing;
- (c) if it is or relates to a Change in Control or an Insolvency Event, when an Enforcing Party has procured:
 - (i) the assignment, transfer or novation of (or any combination of these things to be done in respect of) LTES Operator's rights and obligations under the LTESA to a Transferee; or
 - (ii) the transfer of the shares in LTES Operator to a Transferee,in each case, in accordance with clause 5.1 ("Transfer"); and
- (d) for any other Termination Event or if Security Trustee reasonably considers that the Termination Event is not able to be cured, or will not be or is unlikely to be cured by the end of any applicable cure period provided under the LTESA or this document, when an Enforcing Party makes arrangements (which may include the taking of steps to prevent a recurrence of the Termination Event or the payment of compensation to SFV on account of loss suffered by it or by NSW Electricity Customers (or both)) which are satisfactory to SFV (acting reasonably).

5 Transfer following enforcement

5.1 Transfer

SFV agrees that after Security Trustee has commenced enforcing the Security in accordance with its terms, an Enforcing Party may:

- (a) transfer the shares in LTES Operator in accordance with clauses [23.1] (“Assignment by LTES Operator”) and [23.4] (“Change in Control”) of the LTESA; or
- (b) assign, transfer or novate (or do any combination of these things) in respect of LTES Operator’s rights and obligations under the LTESA in accordance with clause [23.1] (“Assignment by LTES Operator”) of the LTESA,

to any person (including Security Trustee) (“**Transferee**”), but not otherwise.

5.2 Transfer documentation

6.4 Adjustment events

If an adjustment event arises for a supply made in connection with this document the GST Amount must be recalculated to reflect that adjustment. The supplier or the recipient (as the case may be) agrees to make any payments necessary to reflect the adjustment and the supplier agrees to issue an adjustment note.

6.5 Reimbursements

Any payment, indemnity, reimbursement or similar obligation that is required to be made in connection with this document which is calculated by reference to an amount paid by another party must be reduced by the amount of any input tax credits which the other party (or the representative member of any GST group of which the other party is a member) is entitled. If the reduced payment is consideration for a taxable supply, clause 6.3 ("Payment of GST") applies to the reduced payment.

Unless this document expressly states otherwise, if a party does not exercise a right, power or remedy in connection with this document fully or at a given time, they may still exercise it later.

9.5 Conflict of interest

A party may exercise its rights, power and remedies in connection with this document even if this involves a conflict of duty or the party has a personal interest in their exercise.

9.6 Remedies cumulative

The rights, powers and remedies of a party in connection with this document are in addition to other rights, powers and remedies given in any other document or given by Law independently of this document.

9.7 Supervening Law

Any present or future Law which operates to vary the obligations of a party in connection with this document with the result that another party's rights, powers or remedies are adversely affected (including by way of delay or postponement) is excluded except to the extent that its exclusion is prohibited or rendered ineffective by Law.

9.8 Entire agreement

This document and the LTESA together constitute the entire agreement of the parties about their subject matter and supersede all previous agreements, understandings and negotiations on that subject matter.

9.9 Prompt performance

Each party agrees to perform its obligations under this document promptly, unless a specific time for performance is expressly stated in this document. Time is of the essence in respect of an obligation to pay money.

9.10 Costs

LTES Operator agrees to pay SFV's legal and other costs and expenses (including any stamp duty) in connection with the negotiation, preparation, execution and completion of this document.

9.11 Rules of construction

No rule of construction applies to the disadvantage of a party because that party was responsible for the preparation of, or seeks to rely on, this document or any part of it.

9.12 No liability for loss

Unless this document expressly states otherwise, a party is not liable for any loss, liability or costs arising in connection with the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right, power or remedy in connection with this document.

9.13 Limitation of SFV liability

Despite any other provision of this document, the parties acknowledge and agree that SFV's total aggregate liability in connection with this document and the LTESA at any time, will be no greater than SFV's total aggregate liability in connection with the LTESA at that time (assuming the LTESA is enforceable in accordance with its terms) and will be subject to the same limitations of liability set out in the LTESA.

9.14 Further steps

LTES Operator and SFV agree, at LTES Operator's expense, to do anything another party reasonably asks (such as obtaining consents, signing and producing documents, producing receipts and getting documents completed and signed) as may be necessary or desirable to:

- (a) give full effect to the provisions of this document and the transactions contemplated by it; and
- (b) without limiting paragraph (a), ensure any assignment, transfer or novation (or any combination of them) contemplated by clause 5 ("Transfer following enforcement"), and any document the subject or product of any such dealing, is in registerable form, enforceable and registered with the agreed priority.

9.15 Counterparts

This document may consist of a number of copies, each signed by one or more parties to it. If so, the signed copies are treated as making up a single document.
